Pitching

All Little League Canada pitching and catching rules shall be followed at all times throughout the regular season and playoffs. During the regular season pitchers will be limited to a 35-pitch max per player per game.

If walking is becoming abundant, and both Managers agree, the following rule can be put in place to help encourage game play.

- If a batter is walked (4 balls) then the coach will enter the game and throw 2 pitches (both strikes) to the batter to induce game play.
 - If the batter has a 4-0 count then there is still a chance to walk if they swing and miss at both coach pitches. If that batter fouls one of the coach pitches a third coach pitch will be delivered and if not hit the batter will be out.
 - If a batter has a 4-1 or 4-2 count they will still be given the 2 coach pitches (both strikes) and if the batter fails to hit they are out.
